Arnold's home telephone #718-275-3196. He might busy selling Chinese paintings at Kaikado Gallery during day time. Peter and Ethel are also trying to resolve it by tomorrow, and I really need to provide an answer to my client by tomorrow night. It's been almost a week since my attorney faxed the draft to Ethel. Thanks

I have purchased the catalog and it should be here tomorrow. I am out of town in the first half of the day and will do everything I can to complete the report tomorrow afternoon. At any rate, do you have Arnold's telephone number? I want to speak with him. ele

Please let me know if I can be any assistance to you. Do you need to see the catalogue tomorrow ? I can deliver my only copy to you and you can return it to me after you finish. I will be in court the whole day on Friday.

I do appreciate your efforts and you know that Chinese painting is not an easy field. I believe that only private sale can reach a better result, and I have tested the market in the family sale in 1997 at Sotheby's. Thanks

I sent a brief report to Ethel and to Peter and told them to pass it on to you if they wish. It really had to do with unanswered questions. I frankly am not certain how I am supposed to handle this - whether to send reports to them and let them pass it on or what. No instructions. ele
